REMARKS

On 10/01/20 at about 0356 hours, Officers were dispatched to a residence in Middletown for a domestic disturbance.. The caller, Witness #1,told Central Dispatch that an Hispanic male, later identified as Kevin Agront by is CT License, was hitting an Hispanic female, Victim #1, in the parking lot. Further, the male broke the windows to a red car that the female was now sitting in. The male was described as wearing a black shirt and gray sweatpants. He was now arguing with another female.

Agront stated that he had left his apartment to walk some friends, who had been visiting, to their car in the parking lot. While there, Agront noticed that Victim #1, with whom he has a child in common, had exited her red Honda Civic and began yelling and walking toward him. Agront explained that he tried to get Victim #1 back into her car, and at one point was successful, until Victim #1 crawled over the passenger seat and exited that side, only to make her way into the apartment building, locking Agront out.

After exiting the building a second time, Agront and Victim #1 again began arguing with each other near the red Honda, at which point Agront admittedly let his temper get the best of him, which was when he started to pound on the rear driver side window, shattering it. Agront denied any physical confrontation between he and Victim #1, and admittedly only put his hands on her to get her back into her car to leave.

Witness #1 provided a sworn written statement about the incident that she observed. In it Witness #1 stated that Agront was observed pushing and shoving Victim #1 into the red Honda. Witness #1 further observed Agront kick the rear driverside of the Honda, smashing the glass.

I observed a fresh scratch, as well as swelling, behind Victim #1's left ear. She was unsure how that had happened.

Agront was transported to Middletown Police Headquarters, processed, and charged with Disorderly Conduct (C.G.S. 53a-182). Agront was issued a $5000 non-surety bond and released, pending arraignment, that morning on 10/01/20 at 0900 hours. Conditions of Release were also issued, sign and entered into the system.

End.

REMARKS

On October 1, 2020, Jaime Nova O'Ryan was arrested after an incident at an address in Middletown in which it was determined that he had stabbed the female victim approximately 8 times. The victim's injuries consisted of eight (8) stab woods which included two puncture wounds in her upper back. The victim reported that O'Ryan had stabbed her in a jealous fit of rage. Additionally, she reported that O'Ryan stopped and called 911 after she pleaded with him. According to the 911 dispatch recordings, O'Ryan told the dispatcher that he had just stabbed his girlfriend. The victim's wounds were consistent with the victim's claim that O'Ryan stabbed her from behind while she was looking for clothes in her closet. O'Ryan did not deny stabbing the victim, but claimed that she attacked him with the knife and she must have been stabbed in the struggle. O'Ryan had one puncture wound to his left arm. O'Ryan's injury was consistent with the victim's claim that O'Ryan had his arm around her neck at one point during the struggle accidentally injuring himself. At the time of the incident, there were three young children present in the residence, two of who were able to report that their mother had blood all over her body.

O'Ryan was charged with three counts of Risk of Injury to a Minor in violation of CGS 53-21, one count of Assault in the First Degree in violation of CGS 53a-59, one count of Carrying a Dangerous Weapon in violation of CGS 53-206(a), and one count of Reckless Endangerment in violation of 53a-63. REMARKS

On 10-01-2020 at approximately 13:26 hours I was traveling west on Church Street when I heard the sound of grinding behind me. Moments later a black Jeep Grand Cherokee passed me on the left and turned left onto High Street after failing to stop for the read light. I caught up to the vehicle and stopped the operator after he turned right onto Lawn Ave.

The operator jumped out of the vehicle as if he was going to run away but I was able to detain him. The operator was identified as Brendan Spada. Spada began to tell me that he was in an accident and was

trying to find a place to pull over. Moments after Spada was detained, Dispatch indicated that were receiving calls about an evading accident in the area of South Main Street and Loveland Street.

As I was speaking to Spada, I detected the strong odor of marijuana emanating from the vehicle. After he was secured in my cruiser, I went to Spada's vehicle to recover his wallet. The driver's side door was still open and I observed what I knew to be a switchblade knife in the change compartment next to the driver's side door. Switchblades or spring operated knives are illegal to possess in a motor vehicle. I began to search Spada's vehicle for the marijuana I detected and any other weapons in his vehicle. When I opened the center arm rest of the vehicle I observed a semiautomatic firearm. The firearm appeared to be a Glock pistol similar to our department firearms but it was a green lower frame. I then contacted Lt. Hubbs to respond to the scene.

Lt. Hubbs conducted a field sobriety test but we were unable to establish probable cause for operating under the influence. We were initially under the impression that Spada had a permit to carry a firearm because he had weapons registered to him. When asked about the handgun in his vehicle, Spada stated he didn't own a gun or have a permit.

The gun was determined to be a Polymer 80 which is a firearm that is only 80% complete and has to be completed by the owner to be functional. The firearm appeared functional and had 10 rounds of 9mm in the magazine. There was no serial number on the firearm but it was seized from the vehicle. We also located Spada's medical marijuana card and small amount of marijuana in a prescription bottle labeled with his name. The switchblade, firearm with corresponding magazine, and Spada's marijuana were recovered from the vehicle and transported to HQ. Spada was also transported to HQ for processing.

While at HQ, officers learned that Spada has a Misdemeanor Handgun Disqualification on his arrest history making it illegal to possess the firearm. Ofc Sinclair had read Spada his Miranda Rights and waiver. Lt. Hubbs advised Spada that he was being charged with the firearm and he became irate. Spada then admitted to Lt. Hubbs that the firearm was a Polymer 80 which was legal to purchase per the ATF. He also stated that the firearm was turned over to his mother years before for personal protection. Spada then alleged that officers broke into his mother's home, stole the firearm, and planted it in his vehicle.

A short time later Spada contacted his mother who stated someone had entered the house. Lt. Hubbs spoke to who confirmed that she didn't own a firearm or allow guns in her home. stated that someone had been in her home between the hours of 1245p and 2:00pm. She indicated that her son's house key was on the counter and a cat had been secured in her son's room. added that he son is bi-polar and often threatens "suicide by cop" when she threatens to call the police for his behavior.

Officers later located a video of the crash. It clearly shows Spada traveling at a high rate of speed, passing cars on the left at the intersection, and crashing into an SUV at the intersection of South Main St and Loveland. He then drags the other vehicle a short distance because the two cars were attached but breaks free and evades the scene. He had to travel a long distance from that intersection and through the heavily pedestrian populated Wesleyan Campus. The operator of the other vehicle was transported to Middlesex Hospital for minor injuries. His vehicle was also unregistered, uninsured, and the marker plate on his vehicle did not belong to the Jeep.

After investigation, Spada was charged with the following:

Operating an Unregistered Motor Vehicle. 14-12(a)*
Misuse of Plates - 14-147(b)
Operating a Motor Vehicle without Insurance - 14-213a

Reckless Driving - 14-222
Evading Responsibility with Injuries - 14-224(b)
Failure to Obey Control Signal - 14-299
Weapon in a Motor Vehicle - 29-38
Criminal Possession of a Firearm - 53a-217

Spada was held on a $50,000 surety bond and is scheduled to appear in Middletown Court on 10-02-2020.
