**Subject:** re-release of Metro Square parking lot information

Many citizens are still finding their cars towed from the Metro Square parking lot. If someone parks in the parking lot and does not patronize one of the businesses associated with Metro Square they will find their car towed. This is a private parking lot and is not associated with the City of Middletown.

Since January 1, 2013 there have been **240 vehicles** towed from Metro Square parking lot.

**Press Release**

### Parking at Metro Square

Metro Square located at 200 Main St in Middletown, provides commercial space for many businesses in the city with ample parking. Metro Square takes up a block of the city from Main St. to DeKoven Dr. and Martin Luther King Jr. Dr. to Dingwall Dr.

Parking at this location is specifically for customers and employees of the businesses located within Metro Square. The Middletown Police Department has taken several complaints from people who patronize other businesses while parking in the Metro Square parking lot and then return to the lot to find their vehicles towed.

Metro Square is a privately owned business run by SCG Commercial Real Estate. Any questions or concerns regarding **parking issues** in the Metro Square lot should be directed to this company. **Brian Herschberger** is the property manager for this location. He can be reached at:
