Building Committee**

Date: Wednesday, July 10, 2019

Subject: Middletown Military Museum Building Committee July 11 Regular Meeting

To: Middletown Town Clerk and Committee members

Members,

I spoke with Public Works Deputy Director Chris Holden and with no urgent business to attend to, I have decided to cancel tomorrow night's meeting.

Should anything arise prior to our next regular meeting in August, I will call for a special meeting.

Thank you and have a wonderful weekend.
