Subject: Middletown Military Museum Building Committee August 8 Regular Meeting

To: Middletown Town Clerk and Committee members

---

Members,

I spoke with Public Works Deputy Director Chris Holden and with no urgent business to attend to, I have decided to cancel tomorrow night's meeting.

Chris will however, be sending around an update on the museum plaque and bricks shortly to all members. We will be meeting in September and potentially closing the committee in October.

Thank you and have a wonderful weekend and enjoy the rest of your summer.

Best,

Rob Blanchard
