Mandatory Open Spaces (Continued):

a. Each front yard depth - 30 linear feet minimum.

b. Each side yard width - 20 linear feet minimum.

c. Rear yard depth - 30 linear feet minimum, or the side yard width for corner lots only.

d. The minimum front, side or rear yard widths and depths for lots bordering any other zone or a town line shall be 50 linear feet.

e. The distance between buildings or parts thereof, such as wings, inner and outer courts, the minimum shall be 40 linear feet for buildings of 4 stories or less and an additional 10 linear feet between buildings shall be added for each story over 4, until the distance totals 80 linear feet (8-story building).

25.6 Percentage of Lot Coverage: All principal or accessory buildings or structures shall not exceed the following maximum percent of lot coverage:

a. Corner lot - 15% maximum.

b. Interior lot - 15% maximum.

c. For open-air storage an additional 10% of lot coverage is allowed.

d. For industrial expansions an additional 10% of lot coverage is allowed.

e. Unutilized land areas within a development are prohibited to all other uses, except parks, landscaped playgrounds or other recreational facilities.

25.7 Mandatory Off-Street Parking: Each industrial unit operating on two or more shifts shall have a minimum of 2 parking spaces per every 3 employees on the
mandatory Off-Street Parking (Continued):

major shift; however, if operating on just one shift, the minimum shall be 1 parking space per every 3 employees and the following restrictions shall regulate:

a. Each parking space shall have a minimum gross area of 340 square feet for single lane parking or 250 square feet for two or more lanes of parking.

b. Each parking lot shall have a stabilized dustless surface, graded and drained as part of storm sewerage plan for lot and each parking lot shall be aesthetically landscaped when bordering another zone, a lot, street or town line.

c. No entrance or exit to a parking lot shall be nearer than 50 linear feet to a street intersection.

d. No entrance or exit to a parking lot shall be nearer than 20 linear feet to a lot line.

e. No parking space shall be nearer than 6 linear feet to a lot line.

f. No parking space shall be nearer than 20 linear feet to a building or structure.

25.3 Manditory Off-Street Loading and Unloading Facilities: All industrial uses dependent of incoming and/or outgoing material shall provide adequate loading and unloading berths entirely within its property area and the following restrictions shall regulate:

a. Each berth shall have a minimum gross area of 400 square feet.
25.8 Mandatory Off-Street Loading and Unloading Facilities (Continued):

b. No entrance or exit to a loading and unloading area shall be nearer than 50 linear feet to a street intersection.

c. No entrance or exit to a loading and unloading area shall be nearer than 20 linear feet to a lot line.

24.9 Permitted Uses for Signs: Signs identifying an individual firm or the advertisement of its products shall be permitted and the following restrictions shall regulate:

a. No sign nor the aggregate square footage of the total number of signs of an individual manufacturing unit shall exceed 10% of the total square footage of an individual manufacturing unit's facade or 100 square feet, whichever the lesser figure, whether such sign is painted or affixed on its facade, a separate structure or mounted on a roof.

b. No sign, including a canopy or marquee, shall project more than 8 linear feet.

c. No sign, including a canopy or marquee, shall overhang a street or highway.

d. No sign shall be nearer than 20 linear feet to a front lot line.

e. Each sign, including a canopy or marquee, shall have a minimum clearance of 10 linear feet.

25. Natural Resource Zone (NR-1)

26.1 For the benefit of the community certain areas in the City of Middletown
26.1 (Continued):

are zoned for the conservation of natural resources; however, the
Middlebord City Plan and Zoning Commission may permit the quarrying,
the mining or the removal of said resources subject to the following
restrictions:

a. The petitioner shall submit to the City Plan and Zoning Commission
   a plan showing existing grades in area prior the removal of the
   resource. The plan shall provide for adequate front, side and
   rear yard depths and widths to control noise, dust, heavy truck-
   ing, etc., when bordering another zone, town or street line.
   Proper drainage shall be maintained throughout operation and
   area shall be camouflaged with trees or shrubs.

b. The petitioner shall also submit a plan showing proposed finished
   grades after completion of the operation, as well as a drainage
   system for the entire area. Said area shall be restored to a
   use as designated by the City Plan and Zoning Commission at the
   beginning of the operation, and at minimum of 6 inches of topsoil,
   seeded and landscaped shall cover those portions of the area where
   actual removal has taken place. An abandoned pit may either be
   converted into a recreation area by flooding the pit, to be used
   as a lake or it may be used as a city refuse disposal area, if so
   specified by the City Plan and Zoning Commission.

26.2 Those land areas in the City of Middlebord which are zoned for the conser-
vation of natural resources may be used or maintained for accessory uses
such as Farming, Grazing, Lumbering, Wildlife Preserves, Recreational Areas
or similar uses, until such a time when the actual removal of the underlying
mineral comprises.
25.3 The City Plan & Zoning Commission shall be the final determining body for the provisions set forth under Section 25.

27. TOPSOIL, SAND AND GRAVEL

27.1 The Middlesex City Plan & Zoning Commission may, after legal advertisement and public hearing, permit the removal of topsoil, sand and gravel in any zone, subject to the approval of the City Plan & Zoning Commission and the following restrictions:

a. The petitioner shall submit to the City Plan & Zoning Commission a plan showing existing grades in area prior to the removal of topsoil, sand and gravel. The plan shall provide for adequate front, side and rear yard depths and widths to control noise, dust, heavy trucking, etc., when bordering any lot line. Proper drainage shall be maintained throughout operation and no temporary or permanent damage shall be inflicted upon adjacent property owners. No removal shall take place within 30 linear feet of a property line.

b. The petitioner shall also submit a plan showing proposed finished grades after completion of the operation, as well as a drainage system for the entire area. Said area shall be restored to a condition as designated by the City Plan & Zoning Commission at the time of approval of the operation and a minimum of 4 inches of topsoil, seeded, shall cover that portion of the area where the actual removal has taken place.

27.2 Prior to the approval of permits for the removal of topsoil, sand and gravel, the petitioner shall submit a performance bond to the City Plan & Zoning Commission in an amount estimated at 50% of the total costs of the improve-
ments. The City Plan & Zoning Commission in-turn shall file said bond with the Office of the Comptroller,

27.3 Any surplus topsoil, sand and gravel resulting from genuine agricultural, contractual or landscaping operations need not comply with the provisions set forth under this section.

27.4 No permits for the removal of topsoil, sand and gravel shall exceed two years at a time.

28. NONCONFORMING USES

28.1 Existing Building or Structures: The lawful use of any building, structure or land area existing at the time of passage of this ordinance may be continued although such use does not conform with the provisions set forth in this ordinance.

28.2 Unsafe Buildings or Structures: Any building or structure or portion thereof declared unsafe by a proper authority may be restored to a safe condition.

28.3 Alterations: A nonconforming use of a building or structure may not be reconstructed or structurally altered during its life to an extent exceeding in aggregate cost 50% of its assessed value, unless said building or structure is changed to a conforming use.

28.4 Construction Approved Prior to Passage of This Ordinance: Nothing contained within this ordinance shall require any change in plans, construction or designated use of a building or structure for which a building permit has been heretofore issued; however, the building or structure shall be
28.4 Construction Approved Prior to Passage of This Ordinance (Continued):
completed in its entirety according to such plans as filed within 2 years from the effective date of this ordinance.

28.5 Restoration: No building or structure damaged by fire, explosion, the act of God, etc., to an extent of more than 50% of its assessed value shall be rebuilt except to a conforming use. Any building or structure damaged to an extent of less than 50% of its assessed value shall be permitted to repair or rebuild to whatever condition existed prior to damage.

28.6 Abandonment: Whenever a nonconforming use has been discontinued for a period of 1 year or more, such use shall not thereafter be re-established, and any future use shall conform with the provisions set forth in this ordinance.

28.7 Extension: No nonconforming use shall be extended after the effective date of this ordinance.

28.8 Changes: Once changed into a conforming use or a higher classification of a nonconforming use, no such use shall be permitted to revert to a lower nonconforming use.

28.9 Displacement: No nonconforming use shall be extended to displace a conforming use.

29. ZONING BOARD OF APPEALS

29.1 The Zoning Board of Appeals shall consist of 5 regular members and 3 alternate members. The members shall be appointed by the Mayor, and shall serve without compensation. Said Board shall elect a chairman
and appoint a secretary from its members and a record shall be kept of all its proceedings, including the vote of every member upon each item, or if absent or failing to vote, and all records shall be filed in the office of said Board and available to the public. Before acting on any matter, said Board shall hold a public hearing as required by law.

29.2 The Zoning Board of Appeals shall have the following powers and duties:

a. To hear and decide appeals where it is alleged that there is an error in any order, requirement or decision made by the agent of the Commission or any other official charged with the enforcement of these regulations.

b. To hear and decide all matters including special exceptions upon which it is required to pass by the specific terms of these regulations, and

c. To determine and vary the application of provisions of these regulations in harmony with their general purpose and intent and with due consideration for conserving the public health, safety, convenience, welfare and property values solely with respect to a parcel of land where, owing to conditions especially affecting such parcel but not affecting generally the zone in which it is situated, a literal enforcement of those regulations would result in exceptional difficulty or unusual hardship so that substantial justice will be done and the public safety and welfare secured.
29.3 Any decisions or actions taken by the Zoning Board of Appeals shall conform in general with the City of Middletown Comprehensive Plan, the City of Middletown Comprehensive Plan for Downtown Urban Renewal, and the Capital Improvement Program of the City of Middletown.

30. SPECIAL PERMITTED USES

30.1 General Provisions: In conformity with the general purpose and intent of this ordinance and in accordance with the provisions set forth in this Section, the City Plan and Zoning Commission may, after legal advertisement and public hearing, grant special permits in specific zones for USES listed in this Section as well as those listed under Special Permitted Uses in the individual zones of this ordinance whose location and/or control requires special planning attention.

In addition to the restrictions prescribed by the City Plan and Zoning Commission as set forth in this Section, each such special permit use shall comply with all of the applicable zone regulations and all other applicable provisions set forth in this ordinance, except as otherwise specified in this Section.

The City Plan and Zoning Commission may prescribe additional restrictions in cases where extraordinary circumstances prevail at the time of decision on a grant or denial of a special permit use.

In each specific grant or denial of such special permit use, the City Plan and Zoning Commission's findings shall be supported by substantial evidence or other information considered by said Commission in reaching its final decision, including the personal knowledge of or inspection by the members of said Commission and that said Commission shall show which of its required findings has been satisfied and those that have not.
32.1 General Provisions (Continued):

The City Plan and Zoning Commission shall deny a special permit use whenever such use interferes with a public improvement project, whether such project is approved, pending or in any form of planning stage.

Said Commission may authorize any special permit use for such term of years as it deems appropriate.

32.2 Requirements for Petitioners: A petition to the City Plan and Zoning Commission for the request of a special permit for uses specified in this Section or those listed as Special Permitted Uses in the individual zones shall include the following information:

a. A site plan showing the location and proposed use of all buildings and structures as well as the location of all vehicular entrances and exits and all off-street parking areas.

b. A traffic map showing all arterial highways and major and secondary streets within a one mile radius of the proposed development, including the location of other traffic-generating uses within previously mentioned radius of the proposed development.

c. The provisions of Section 34 (Amendments to Zoning Ordinance and/or Map) relative legal advertisements, public hearings, etc., shall apply to petitions for special permits by the City Plan and Zoning Commission.

32.3 Agricultural Uses: The City Plan and Zoning Commission may permit agricultural uses in PR-1, R-1, R-2, R-3, R-4, R-5, A-1, CL-1, CL-2, L-1, L-2 or NR-1 Zones, provided that the following requirements are met:
Agricultural Uses (Continued):

a. No agricultural building or structure, unless used solely for residential purposes, shall be nearer than 300 linear feet to any lot line of bordering areas. Residential buildings within an agricultural use area shall comply with the applicable zone regulations set forth in this ordinance.

b. No livestock shall pasture nearer than 50 linear feet to any lot line of bordering areas.

c. Any agricultural use shall meet approval of the Middletown Public Health Department.

d. The City Plan and Zoning Commission may prescribe other additional conditions and safeguards to minimize adverse effects on the character of the neighboring area.

Airports: The City Plan and Zoning Commission may permit the construction, reconstruction or expansion of airports and their facilities in PR-1, CL-1, I-1 or L-2 zones, provided that the following requirements are met:

a. In addition to all other information required in Section 29.2 (Requirements for Petitioners), the petitioner shall show the exact location and dimensions of all runways on the site plan.

b. The airport shall be an appropriate use of the land and it shall not unduly interfere with bordering land uses.

c. In the selection of a site, special consideration shall be given to locate the airport adjacent to large parks or open areas, especially bodies of water.
d. The City Plan and Zoning Commission shall forward the petition to both the State Aeronautics Commission and the Federal Aeronautics Administration for their approval or denial and any recommendations by such agencies shall be considered part of this ordinance.

e. The City Plan and Zoning Commission may prescribe other additional conditions and safeguards to minimize adverse effects on the character of the neighboring area, including regulating the height of buildings, structures or trees to be constructed or grown within the area of the airports aerial approaches, the establishment of a setback line for open areas around part or the entire perimeter of the airport, shielding of floodlights, or surfacing of access roads or driveways, etc.

30.5 Arenas, Auditoriums, Carnivals, Circuses, Fairs, Stadiums, or Trade Expositions:

The City Plan and Zoning Commission may permit arenas, auditoriums, carnivals, circuses, fairs, stadiums or trade expositions in PR-1, A-1, C-3, C-4, C-5 or CI-1 Zones, provided that the following requirements are met.

a. The principal vehicular access for such use shall not be located on a local or secondary street.

b. Such use shall be planned in a manner that a minimum of vehicular traffic will flow through local streets in nearby residential areas.

c. Such use shall not be located within 300 linear feet of a Residential Zone.
d. For the prevention of traffic congestion sufficient reservoir space shall be provided at the vehicular entrances of such use, including an adequate number of entrances and exits. Said vehicular entrances and exits shall be provided separately, and they shall not be located less than 100 linear feet apart.

e. Special consideration shall be given to the proximity of public transportation to serve such use.

f. The City Plan and Zoning Commission may prescribe other additional conditions and safeguards to minimize adverse effects on the character of the neighboring area, including limitations on signs or regulating the soundproofing of buildings, shielding of floodlights, screening of open areas, or surfacing of access roads or driveways, etc.

30.6 Bus or Trucking Terminals: The City Plan and Zoning Commission may permit bus or trucking terminals in PR-1, AC-1, C-3, C-4, C-5, CL-2, I-1 or I-2 Zones, provided that the following requirements are met:

a. The principal vehicular access for such use shall not be located on a local or secondary street.

b. Such use shall not be located within 300 linear feet of a Residential Zone.

c. Vehicular entrances and exits for such operation shall be provided separately and they shall not be located less than 100 linear feet apart.
d. The City Plan and Zoning Commission may prescribe other additional conditions and safeguards to minimize adverse effects on the character of the neighboring area, including regulating the shielding of floodlights, screening, or surfacing of access roads or driveways, etc.

39.7 Children's Amusement Parks: The City Plan and Zoning Commission may permit children's amusement parks in PR-1, C-3, C-5, or I-2 Zones, provided that the following requirements are met:

a. The principal vehicular access for such use shall not be located on a local street or on an arterial highway.

b. Such use shall be planned in a manner that a minimum of vehicular traffic will flow through local streets in nearby residential areas.

c. Such use shall not be located within 1000 linear feet of a Residential Zone.

d. Vehicular entrances and exits for such operation shall be provided separately and they shall not be located less than 100 linear feet apart.

e. The City Plan and Zoning Commission may prescribe other additional conditions and safeguards to minimize adverse effects on the character of the neighboring area, including limitations on signs or regulating the shielding of floodlights, or surfacing of access roads or driveways, etc.

39.8 Day Camps, Outdoor: The City Plan and Zoning Commission may permit outdoor

    salvage or junk yards in C-5, CL-2, L-2, or RR-1 Zones, provided that the
    following requirements are met:

    a. Such use shall be an appropriate use of land and it shall not unduly
       interfere with bordering land uses.

    b. Such use shall not be located within 1000 linear feet of a Resi-
       dential Zone.

    c. In the selection of a site special consideration shall be given
       not to locate such use in the proximity of churches, schools,
       hospitals, public buildings or other places of assembly, or when a
       sufficiency in number of such uses are existing in the vicinity.

    d. Such use shall be camouflaged with trees or shrubs, or a fence of
       at least 8 linear feet in height around the entire perimeter of
       the operation.

    e. The City Plan and Zoning Commission may prescribe other additional
       conditions and safeguards to minimize adverse effects on the char-
       acter of the neighboring area, including regulating size of front,
       side or rear yards, size of lot, or surfacing of access roads or
       driveways, etc.

    f. Any person or agent of any firm or corporation who violates any
       provision of this Paragraph (30.18) shall be fined not more than
30.18 Salvage, or Junk Yards (Continued):

100 dollars or imprisoned not more than 90 days or both for each
day such violation continues as provided in the General Statutes
of the State of Connecticut. The amount of fine or number of day
are subject to periodic change according to amendments of the
General Statutes.

30.19 Uses Not Included In This Ordinance: Any use not mentioned in this Section
or in the individual Zones shall be considered as a Special Permitted Use,
unless otherwise specified by City Plan and Zoning Commission.

4. BUILDING PERMITS

4.1 Applications for Building Permits: No building or structure shall be con-
structed or structurally altered until an application for a Building Permi
has been filed with the Building Inspector of the City of Middletown and a
Building Permit has been issued. Each and ev’ry applicant shall, prior to
filing an application for a building permit, obtain a Certificate of Appro
from the Office of the City Plan and Zoning Commission. Said Commission
shall determine whether or not such construction or structural alteration is
in accordance with the City of Middletown Zoning Ordinance, Zoning Map,
General Plan Map, Comprehensive Plan for Downtown Urban Renewal, Capitol
Improvement Program, or Subdivision Regulations. All procedures and re-
gulations of the City of Middletown Building Code shall apply for applica-
tions for building permits.

4.2 Building Permits Issued Prior to Effective Date of this Ordinance or
Amendments Thereto: Any Building Permits issued prior to the effective date
of this ordinance or any amendments thereto shall be void if construction
not been commenced before said date, unless the construction to be taken
under such permit is in accordance with this ordinance or the amendments thereto. Construction shall be considered commenced if the footing of a foundation has been completed.

32. CERTIFICATES OF OCCUPANCY

32.1 Applications for Certificates of Occupancy: No building or structure, or use shall be occupied or used, in whole or in part, until an application for a Certificate of Occupancy has been filed with the Building Inspector of the City of Middletown and a Certificate of Occupancy has been issued. All procedures and regulations of the City of Middletown Building Code shall apply for applications for Certificates of Occupancy and all such certificates issued shall be in accordance with the regulations of this ordinance.

33. LICENSES AND PERMITS BY STATE AGENCIES

33.1 Gasoline Station Licenses: No person, firm or corporation shall operate or maintain a gasoline station for the purpose of merchandising gasoline or any other products or services incidental thereto, unless a license to establish, operate and maintain such a business has been obtained from the Commissioner of Motor Vehicles of the State of Connecticut.

33.2 Motor Vehicle Salvage or Junk Yard Licenses: No person, firm or corporation shall operate or maintain a motor vehicle salvage or junk yard for the purpose of merchandising parts and scrap metals or any other products or services incidental thereto, unless a license to establish, operate and maintain such a business has been obtained from the Commissioner of Motor Vehicles of the State of Connecticut.
3.3 New Car Dealers' Licenses: No person, firm or corporation shall operate or maintain a new car dealer's business for the purpose of merchandising new motor vehicles or any other products or services incidental thereto, such as sell used motor vehicles or repair motor vehicles, unless a license to establish, operate and maintain such a business has been obtained from the Commissioner of Motor Vehicles of the State of Connecticut.

3.4 Repairers' Licenses: No person, firm or corporation shall operate or maintain a motor vehicle repair garage for the purpose of merchandising motor vehicle repair services, unless a license to establish, operate and maintain such a business has been obtained from the Commissioner of Motor Vehicles of the State of Connecticut.

3.5 Used Car Dealers' Licenses: No person, firm or corporation shall operate or maintain a used car dealer's business for the purpose of merchandising motor vehicles other than new or any other products or services incidental thereto, such as repair motor vehicles, unless a license to establish, operate and maintain such a business has been obtained from the Commissioner of Motor Vehicles of the State of Connecticut.

3.6 Liquor Permits: No person, firm or corporation shall operate or maintain an alcoholic liquor business for the purpose of merchandising alcoholic liquors or any other products or services incidental thereto, unless a permit to establish, operate and maintain such a business has been obtained from the Liquor Commission of the State of Connecticut.

4. EXCEPTIONS TO THE ZONING ORDINANCE

4.1 Lots recorded and filed in the Office of the Town Clerk of the City of Middletown prior to the effective date of this ordinance shall be exempt
§ 1 (Continued):

from the regulations of this ordinance regulating the size of the lot; however such lots shall otherwise conform with the applicable regulations of this ordinance.

35. AMENDMENTS TO ZONING ORDINANCE AND/OR MAP

35.1 Amendments: The City Plan and Zoning Commission may, either on its own motion or on a petition of others, amend the regulations of this Ordinance or the boundaries of the individual zones as shown on the Zoning Map. No such amendment of regulation or boundary shall become effective or established until after a Public Hearing in relation thereto has been held. Notice of time and place of such hearing shall be published in the form of a Legal Advertisement appearing in a newspaper having a substantial circulation in such municipality. The legal advertisement shall appear at least twice at intervals of not less than 2 days, the first not more than 15 days nor less than 10 days, and the last not less than 2 days, prior to such hearing. A copy of such proposed amendment of regulation or boundary shall be filed in the Office of the Town Clerk for public inspection at least 10 days prior to such hearing. The City Plan and Zoning Commission may, from time to time, change such proposed amendment of regulation or boundary by a majority vote of such commission. If a protest is filed at such hearing with the City Plan and Zoning Commission against such change, such protest shall be signed by the owners of 20% or more of the area of the lots included in such proposed change or of the lots within 500 feet in all directions of the proposed property included in the proposed change. Such change shall not be adopted except by a vote of 2/3 of all the members of such commission. Any such petitions submitted shall be considered at a Public Hearing by the City Plan and Zoning Commission within 90 days after receipt.
35.1 Amendaments (Continued):

of such petition and said commission shall adopt or deny the changes requested in such petition within 60 days after the hearing. The number of days, the per centage or the footage are subject to periodic change according to amendments of the General Statutes of the State of Connecticut.

35.2 Appeals: Any person, firm or corporation aggrieved by any decision of the City Plan and Zoning Commission may, within 15 days from the date when such decision was rendered, take an appeal to the Court of Common Pleas. The number of days after decision rendered are subject to periodic change according to amendments of the General Statutes of the State of Connecticut.

36. VIOLATIONS, ENFORCEMENT AND PENALTIES

36.1 Violations: Any official having jurisdiction may institute an action or proceeding to prevent the violation of the regulations of this Ordinance.

36.2 Enforcement: All regulations of the Ordinance shall be enforced by the Building Inspector or any other designated City Official of the City of Middletown who is hereby authorized to inspect and examine any building, structure or use and to order in writing the remediying of any condition found to exist in violation of this Ordinance.

36.3 Penalties: The owner or agent of any building or premises where a violation of any provision of this Ordinance has been committed or exists, or the lessee or tenant of an entire building or entire premises where such violation has been committed or exists, or the owner, agent, lessee or tenant of any part of the building or premises in which such violation has been committed or exists, or the agent, architect, builder, contractor or any other person who commits, takes part or assists in any
Penalties (Continued):

such violation or who maintains any building or premises in which any such violation exists, shall be fined not less than 10 or more than 100 dollars for each day that such violation continues. However, if the offense is willful, the person convicted thereof shall be fined not less than 100 dollars nor more than 250 dollars for each day that such violation continues or imprisoned not more than 10 days for each day such violation continues or both. Any person who, having been served with an order to discontinue any such violation, fails to comply with such order within 10 days after such order or continues to violate any provision of the regulations of this Ordinance shall be subject to a civil penalty of 250 dollars, payable to the Treasurer of the City of Middletown. (Separate regulations for penalties are provided for Motor Vehicle Junk Yards - see Section 29, Paragraph 18.)

The amount of fine and number of days are subject to periodic change according to amendments of the General Statutes of the State of Connecticut.

37. VALIDITY

37.1 If any Section, Paragraph, Subdivision, Clause or Provision of this Ordinance be adjudged invalid, such adjudication shall apply only to the Section, Paragraph, Subdivision, Clause or Provision so adjudged, and the remainder of this Ordinance shall be deemed valid and effective.
