

New 2020 Rules for RiverCOG Household Hazardous Waste and Paper Shredding Collections

In order to keep everyone safe during the COVID-19 pandemic we are implementing mandatory rules for RiverCOG collections. **Staff reserves the right to deny anyone not complying with these rules.**

HHW

When at home:

- Make sure that you bring you face mask with you.
- Please load all household hazardous waste in trunk or back of car. We will not be accessing front or back seats of vehicles.
- If you have any waste that you are not sure if we will take it or not, call (860) 581-8554 by Friday before the event.
- Please do not bring passengers or pets to household hazardous waste collections, drivers only.
- If bringing in waste for other people please call 860-581-8554 by Friday before the event. Bring to the event a piece of mail with the waste originator's name and address.
- If your driver's license is not current, please supply current information (piece of mail with name and address).
- Please label any containers that you would like returned back to you.

At the collection:

- Don't get out of vehicle for any reason.
- Put on mask and close all windows before you reach the staff working the event.
- Have driver's license ready for verification.
- HHW vendor will be unloading your vehicle. If you have containers to keep please let them know. If you have waste that is not accepted, we will let you know where it can be disposed of.
- Thank you for coming to the HHW collection and disposing or your waste properly!
