

Middletown Health Department

Public Health
Prevent. Promote. Protect.

Phase 1 – ReOpen Rules for Hair Salons and Barbershops (Hairdressing and Eyebrows Only)

- ReOpen CT Badge available
- Program Administrator identified for rule enforcement
- Hand sanitizer available at entrances and common areas
- Establishment operating at 50% capacity

Staff

- Documentation of employee training program for ReOpen
- Employee health policy in place with proper exclusion
- Cleaning check list with employee assignments developed
- Log of staff who are onsite at all times
- All staff wearing face masks or cloth face coverings AND a face shield
- Glove use is optional. If worn, must be changed between clients
- Appropriate hand washing procedures and frequency in place

Guest Services

- Blow drying only when necessary
- Customer required to wear face mask or cloth face covering
- Touchless appliances available where possible (payment, soap and paper towel dispensers, garbage cans)

Facilities

- Increased ventilation rates (if no central air system, open windows)
- Visible 6-foot social distance markers in place
- Workstations 6 feet from one another and/or staggered
- Install physical barriers where possible
- Waiting area closed and customers waiting in cars
- Non-essential amenities removed

Cleaning and Disinfecting

- EPA Registered cleaners and disinfectants available
- Implements and workstations cleaned and sanitized between clients
- Avoid sharing equipment among staff. Clean and sanitize after each use if shared
- Linens and capes shall be cleaned with aggressive detergents. Once fully dried, stored in closed cabinets
- Cleaning products/disposable wipes near commonly used areas: cash registers, phones, credit card machines, reception desk, light switches, and door handles
- Clean and disinfect shampoo bowls in between clients. Follow guidance on disinfectant for contact time
- Eye protection and gloves available for cleaning with chemicals
- Restroom cleaning log developed and increased cleaning frequency
