Emergency Use Authorization: The FDA has made the COVID-19 vaccine available under an emergency use authorization (EUA). The EUA is used when circumstances exist to justify the emergency use of drugs and biological products during an emergency, such as the COVID-19 pandemic. This vaccine has not completed the same time of review as an FDA-approved or cleared product. However, the FDA's decision to make the vaccine available under an EUA is based on the existence of a public health emergency and the totality of scientific evidence available, showing that known and potential benefits of the vaccine outweigh the known and potential risks.

Consent: I certify that I am: (i) the Patient and at least 18 years of age; or (ii) the patient's personal representative. I consent to, or give consent for, the administration of the vaccine(s) marked on this consent form by a Stop & Shop pharmacist. Where applicable and accepted by state regulations, I consent to my vaccine being administered by a Stop & Shop pharmacy intern or technician. I acknowledge I have the right to ask for a copy of the Stop & Shop Notice of Privacy Practices. I have read, or have had read to me, the Vaccine Information Statement (VIS) or EUA Fact Sheet for the vaccines indicated on this form. For COVID-19 Vaccine: I have been provided and have read, or had explained to me, the patient fact sheet corresponding to the COVID-19 vaccination given to me (or the person named above for whom I am authorized to make this request and provide surrogate consent). I understand that if a vaccine requires multiple doses, multiple doses of the vaccine will need to be administered (given). I have been given the opportunity to ask questions which were answered to my satisfaction (and ensured the person named above for whom I am authorized to provide surrogate consent was also given a chance to ask questions). I request that the COVID-19 vaccination be given to me (or the person named above for whom I am authorized to make this request and provide surrogate consent). I understand the benefits and risk of vaccination, and I voluntarily assume full responsibility for any reactions that may result. I have had the opportunity to ask questions, all of which were answered to my satisfaction. I understand the benefits and risks of the vaccine(s). I understand that I should remain in the vaccine administration area for at least 15 minutes and may need to remain for 30 minutes (if required based on answers to screening questions above) after the vaccination to be monitored for potential adverse reactions. I consent to the emergency administration of epinephrine and/or diphenhydramine, if necessary, to treat an adverse event following vaccine administration. I understand that Stop & Shop Pharmacy may be required to or may voluntarily disclose my health information to my Primary Care Physician (if I have one), my insurance plan, health systems and hospitals, educational institutions, manufacturers, and/or state or federal registries, for purposes of treatment, payment, or other health care operations (such as administration or quality assurance). I also understand that Stop & Shop Pharmacy will use and disclose my health information as set forth in the Notice of Privacy Practices, a copy of which can be obtained in-store, online, or by requesting a paper copy from the pharmacy).
