

Official Notice March 10, 2023  
Middletown Public Works Department  
Regulation Change at the Middletown Recycling Center

Per City Ordinance 253-2 – 253-17, the Director of Public Works hereby announces that the Middletown Recycling Center will not accept any material loads over two tons starting April 1, 2023. Residents must show proof of residency. Contractors must show proof that the material is generated within Middletown boundaries. Mixed recycling is only accepted from individual residents and businesses, not commercial haulers.

Starting July 1, 2023, all contractors transporting any type of waste material must register with the City Public Works office. All contractors transporting waste of any kind to the Middletown Recycling Center must license with the City and obtain a sticker at \$25 per vehicle to use the facility. Stickers MUST be affixed to the vehicle window. Proof of generation of the waste must still be shown. Information and forms on this policy will be available at <https://www.middletownct.gov/1275/Waste-Hauler-Registration>.

Starting July 1, 2023 all Middletown residents must also obtain a sticker at no charge to use the Recycling Center. The sticker must be affixed to the vehicle. Residential sticker information will be available after May 15, 2023 at <https://www.middletownct.gov/951/Middletown-Recycling-Center>.
