REMARKS

On April 24, 2016 at approximately 1838 hours, I was dispatched to 534 Washington Street for a motor vehicle accident without injuries.

Upon arrival, I spoke with both individuals involved. One of the individuals was Christopher Crowley. While standing near the other involved individual's vehicle Crowley was asked for his driver's license. Crowley pulled out a stack of credit cards from his pocket. While looking through the stack Crowley appeared to be

off balance and kept swaying from side to side. After a short time, Crowley was able to provide me with his license. During the course of conversation Crowley had slow and slurred speech.

Crowley was unable to provide me with a current insurance card and was asked to check his vehicle again. Crowley then began to walk back to his vehicle and appeared to be off balance. Crowley informed me that he did not have a current insurance card. I then asked Crowley to have a seat in his vehicle.

While speaking with Crowley in his vehicle he continued to have slow and slurred speech. At the time, Crowley had his sunglasses on and I asked him if he could take them off which he did without incident. I then observed Crowley to have glossy eyes. I asked Crowley what happened during the accident. Crowley stated that it happened so quickly and admitted to hitting the other vehicle.

I asked Crowley if he had been drinking. He stated that he had not. I then asked Crowley if he was a diabetic to which he stated that he was not. Crowley then mentioned he has problems with his liver and only consumed one glass of wine around 0900 hours.

Based on the failure of the Standardized Field Sobriety Tests Crowley was placed under arrest and transported to Headquarters.

Crowley was able to provide two Urine Analysis samples for the DWI testing.

Crowley was charged with C.G.S 14-227a Driving while Intoxicated, C.G.S Insufficient Insurance and C.G.S 14-236 Failure to Drive in Proper lane. Crowley was released on a five hundred dollar non-surety bond. He is scheduled to appear in GA #9 Middletown Court on May 6, 2016 at 0900 hours.

REMARKS

On Saturday, 04/23/16 at approximately 0855 hours, I, Officer Jeffries was traveling west on Washington Street in a marked police vehicle when I observed a color black, Nissan Pathfinder, bearing CT registration 5AEGR7, which had no right rear tire and was being driven on the wheel rim.

I activated my emergency lights and conducted a motor vehicle stop of this vehicle at 834 Washington Street.

As I spoke with the operator, Robert Allard, who was positively identified with his CT driver's license, I could immediately smell a strong odor of an alcoholic beverage coming from the vehicle and Robert's breath. Robert seemed confused and his speech was slurred and at times hard to understand. I asked Robert if he consumed an alcoholic beverage today and he said, "yes, two beers yesterday evening."

I asked Robert why he was driving his vehicle without a tire and he said it blew out on the highway and he was just trying to get home to Mansfield.

I asked Robert to step out of the vehicle and submit to a Standardized Field Sobriety Test, which he agreed to do. Robert failed to perform all tests to standard.

Robert was placed in handcuffs with his hands behind his back and was transported to Middletown PD for processing.

I then requested that Robert provide me with a breath test, which he agreed to do. The results of Robert's tests are as follows:

Test #1: B.A.C 0.1738 at 1000 hours

Test #2: B.A.C 0.1713 at 1022 hours

Robert was charged in violation of C.G.S. 14-98, Improper Tires, 14-227a, Operating a Motor Vehicle Under the Influence of Alcohol, 14-213b, Insufficient Insurance, 14-12(a) Unregistered Motor Vehicle.

Robert was released on a \$500.00 Non-Surety Bond and is scheduled to appear in Middletown Superior Court, GA-09, on Wednesday, 05/04/16.

Robert was informed that his CT operator's license is suspended for twenty four (24) hours and is being held at Middletown PD.
